We truly enjoyed these two weeks with you, and we would like to thank you for making our holidays so special and unforgettable.
Angelica, thank you for always taking such good care of us and our room. Thank you for making every meal a bit more special each day.

Max, thank you for making us eat so well every single day! Thank you for the effort you made every day with your home-made dishes made with love and care. All the pictures we took of your fantastic dishes will remind us of your name-made cooking quality!

Archie, thank you for your patience, your kindness and all the laughs there when we needed something. You always made us feel like we were in the best hands!

Most of all, thank you for the beautiful video at the end, a memory comes true. Those two weeks were truly unforgettable, and we are so happy that we got to share it with all of you. We hope to see you again very soon!
