CORAL OCEAN
"We are sending a massive thank you for the unforgettable week aboard your floating fever dream of luxury, laughter and errant decision-making.
From the moment we stepped aboard, you managed to make us feel like royalty.
Georgi, your pork loin deserves a Michelin star. It was tender and emotional.
To the crew who kept stealing our clothes and returning them under the guise of "laundry" – well played.
Chris, thank you for showing us you are human by running the boat aground – you put the vulnerability back in "tender."
To Corinne, we sent you boys – you returned glowing, dewy-skinned heartthrobs, paralysed by the question, "Can we even touch the saltwater now?"
Thank you for laughing at all our jokes (even Adam's), tolerating our constant schedule changes and pretending not to see whatever happened on that beach on Friday. Your professionalism, warmth and nonjudgmental facial expressions were deeply appreciated.
This week was pure magic – the kind you talk about for years.
With love and admiration xxx"
July 2025, The Balearics

"What an amazing team and boat. I have chartered a lot of yachts over the years and Coral Ocean is the best by far, I will definitely book again. Thank you to the crew for the exceptionally high levels of service, for looking after the kids so well, and the delicious food (especially the Thai wrapped fish) and more. Keep it up and thanks every so much for all the hard work and dedication."
August 2024, Amalfi Coast
We discussed at length last night and this trip was unanimously chosen as a top 3 experience of our life for our entire group.
This trip will go down in family history as legendary and I'm sure a year won't go by without us fondly reminiscing on this trip and the Coral Ocean experience.
Aside from the boat & itinerary, the crew were absolutely perfect! You are all kind, fun and driven and we were blown away by your level of service. Best service experience ever, period!
